To all TSP's and Baltimore, Charleston and Galveston Port Agents:

Please be advised that American Roll-on Roll-off Carriers (ARC) is now offering service for military and US government household goods to and from Northern Italy. The ARC Italy service is currently only available for Northern Italy shipments. ARC expects to offer service to the Port of Naples in the near future, covering shipments to and from Southern Italy. We will advise you once that service becomes available.

All bookings and registrations for the ARC service should be sent to ARC_Registration@pashanet.com.

Shipments into northern Italy should be documented as follows in line with the previously issues Med Services Shipping Instructions. Specifically:
