## ***ARC RESOLVE* Delivers Armored Vehicles to Brazil**

Paranagua, Brazil – American Roll-On Roll-Off Carrier’s M/V *ARC Resolve* discharged thirty Armored Command Post Carrier vehicles and accompanying accessories recently at the port of Paranagua, Brazil. The armored vehicles moved on ARC’s North America-South America service and will be used by the Brazilian Army.

The U.S. Army from time to time deactivates some of the defense equipment that it no longer requires and transfers the material to its partner nations. Agreements to transfer military equipment between the United States and Brazil date back to the beginning of the 1950s, just after the end of World War II.
