## **ARC Statement on GAO Decision on the Global Household Goods Contract**

American Roll-On Roll-Off Carrier Group Inc. (ARC) is disappointed with the decisions announced today by the U.S. Government Accountability Office (GAO) to sustain protests filed by unsuccessful bidders on U.S. Transportation Command's award to ARC of the Global Household Goods Contract (GHC).

"Team ARC remains committed to consistently delivering a superior relocation experience for Service Members and their families," ARC CEO Eric Ebeling said. "We will evaluate our options in light of the GAO's decisions and determine the appropriate next steps."
