Team ARC Statement on Global Household Goods Contract (GHC)

Ponte Vedra Beach, Florida – American Roll-On Roll-Off Carrier Group Inc. (ARC) and its subcontracting partners, collectively called Team ARC, are disappointed with the Government Accountability Office's (GAO) denial of our protest on the U.S. Transportation Command's award of the Global Household Goods Contract (GHC).

Team ARC was originally awarded GHC on April 30, 2020. The Government took corrective action and then re-awarded GHC to ARC on June 29, 2020. That award was successfully protested by previously unsuccessful bidders, and in response, the Government issued a new solicitation in November 2020. A new GHC award was made on November 4, 2021, and ARC protested that award on November 23.

We will review the GAO decision and evaluate next steps, including any further legal action.
